

THE DORVAL™ BATH COLLECTION

DIVERGE FROM THE EXPECTED.

Balancing regal stature with graceful accents, the Dorval™ Bath Collection draws its inspiration from the powerful design of German castles, coupled with the feminine lines of French architecture. Set your space apart with a high-end, established look that challenges the status quo.

PREPARE TO BE SURPRISED.

The Dorval™ Bath Collection offers porcelain lever or cross handle options to suit your individual taste and room décor preferences.

As well as a monoblock sink faucet design, the collection furnishes a range of historically nontraditional finish options and innovations including Touch2O.xt® Technology.

**STRIKE A BALANCE BETWEEN
POWER AND GRACE.**

EMBRACE THE EXTRAORDINARY.

This uncommon collection is augmented by an equally distinctive assortment of tub fillers and accessories. Finally, there's finish to consider: the Dorval™ Bath Collection helps you set your scene, with choices ranging from reflective to refined.
