

GALEON™ BATH COLLECTION

**BRING A CHISELED,
CONTEMPORARY
LOOK INTO THE BATH.**

SAIL AWAY FROM THE EXPECTED.

The Galeon™ Bath Collection sails away from the expected with new innovations, knurled accents, and a chiseled arc design. With a design inspired by the shape of sailboats, the name “Galeon” derives from 15th century Spanish sailing ships.

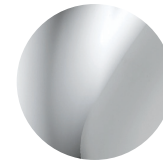

CHISELED ARC DESIGN.

The Galeon™ Bath Collection brings a chiseled, contemporary look into the bath with knurled accent options.

Innovative Lumicoat™ Finishes glisten on the collection — easily wipe clean without the need for cleaners or chemicals and guaranteed to resist mineral buildup and hard water stains.

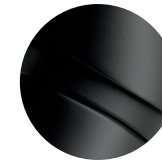

The collection's coordinating shower products feature H₂Okinetic® UltraSoak™, H₂Okinetic® PowerDrench®, and new Waterfall Spray options.
